

NIRA - Meeting Notes
Meeting Convened: January 6, 2012

Here is a recap of the club meeting for all who missed it.

Elections were held and there were some clear winners who won by a landslide. Who am I kidding all who ran, won since none were contested.

Don is our new RSO and Paul is our treasurer and Rick, like a rock, is the vice president and the new president is Matt.

Model of the Year winners with a crazy three way tie for adult are Marc Mitchell, "Jayhawk Project Gone Wild", Dan Huntsha, "Phoenix", Tony Lentini, "Instigator", and for Junior: Maverick Penkava, "Delta III" big thanks for a great 2011 model rocket year.

To start off the month of January we had two Model of the Month entries: Marc Mitchell and Dave Heim who squared off in a duel for model of month and Marc eked out a victory by 1 vote thus making him the winner for model of the month for of January 2012, congrats.

We also had a few new visitors there as well. I also passed out a paper so club members could list what they would like to see more of at club meetings and club launches. I asked for 3 things that they would like to see improve at club meetings and 3 things that they would like to improve at club launches. If you would like to email me your thoughts please do in a PM to me at strikerr@sbcglobal.net.

I look forward to serving you this year as the new President of NIRA.

Matt Penkava
